

**1. Go to [www.educreations.com](http://www.educreations.com) and set up a free account..**

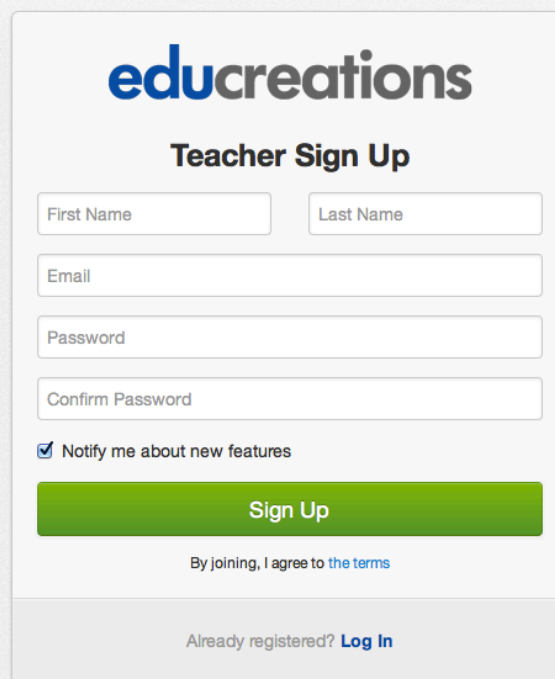

**iPad users get the free app.**

## 2. Choose who you are.

The image shows a screenshot of the Educreations website's login/signup interface. At the top, the "educreations" logo is displayed in blue and grey. Below the logo, the text "Are you a student or teacher?" is centered. Underneath this text are two buttons: "Student" on the left and "Teacher" on the right. Below these buttons, the text "Already registered?" is followed by a blue "log in" link. Two large, thick red arrows originate from a single point at the bottom center of the form and point upwards towards the "Student" and "Teacher" buttons, indicating the choice of user type.

**3. Complete the form then click "Sign up".**

The image shows a 'Teacher Sign Up' form for 'educreations'. The form is centered on a light gray background. It includes input fields for 'First Name', 'Last Name', 'Email', 'Password', and 'Confirm Password'. There is a checkbox for 'Notify me about new features' which is checked. A green 'Sign Up' button is prominently displayed. Below the button, there is a line of text stating 'By joining, I agree to [the terms](#)'. At the bottom of the form, there is a link for 'Already registered? [Log In](#)'.

**4. After you sign up you can edit your profile and add your picture.**

## 5. Next click on "Create a Course"

**6. Next, select a name for the course, any name you choose is fine.**

The screenshot shows the 'Create Course' interface on the Educreations website. The form includes a sidebar with navigation links, a main form area with fields for Course Name, Subject area, Privacy, and Description, and a footer with site information. Annotations with arrows point to specific elements: a blue arrow points to the 'Course Name' input field; a red arrow points to the 'Subject area' dropdown menu; another red arrow points to the 'Privacy' dropdown menu; and a red arrow points to the 'Create' button.

**Course Name** ⓘ

Course Name
